JUNE 6,7,8 1986

CAMPORALL '86

Blazing the Leadership Trail

On the first weekend in June (June 6,7,8), Boy Scouts, Cub Scouts, Explorers, Leaders, and friends will converge on Hoover Scout Reservation for an exciting, fun-filled Scouting adventure. For one weekend Hoover Scout Reservation will become one of the largest cities in Illinois. The 1986 Camporall will be the largest encampment of Scouts anywhere in America this year.

Why does everyone want to be part of this activity? Because, this is a once in a lifetime experience for your Scouts. They will enjoy a program that is challenging, innovative, educational, and most of all, fun.

This Leader's Manual is your guidebook to Scouting adventure. In it you will find the answers and explanations to all your questions. So, read on and learn more about the program, how to register, and the support that is available to you.

HOW TO REGISTER

Advance registration is essential if proper arrangements for your unit are to be made. Unless someone knows you are coming, adequate camping areas may not be available and other facilities may not be ready. So, pre-register!

A registration form is included in this packet. Also, forms will be included in the Chicago Area Scouter, available at the Council office, or can be sent on request by mail. Simply complete the form and send it to the Council Office, Boy Scouts of America, 730 West Lake St., Chicago Illinois 60606. Make checks payable to the Chicago Area Council.

Fees are as follows: Tiger Cubs, Cub Scouts and Leaders - \$3.50; Webelos, Boy Scouts, Explorers, and Leaders - \$4.50. This fee includes the Camporall patch and a weekend Scouting adventure.

The deadline for registration is May 9th for all units camping for the weekend. Cub Scouts Packs attending only on Saturday, June 2nd, should register by May 16th.

CHECK IN

Upon arrival at Hoover Scout Reservation you should check in with your unit roster. Webelos, Boy Scouts, and Explorers camping with the district should report to the District Headquarters, with the District Camp Chief. Explorers should report to the Exploring Headquarters. Cub Scout Packs will report with their unit rosters to the Cub Scout Area Gateway. The roster forms will be sent to you when you submit your advance registration. A sample is included in this manual. Please note: Webelos camping out will register with the troop that they are camping with.

It's a simple system. If you're camping check in with district or division headquarters. If you are Cub Scouts spending the day, check in at the Cub Scout Area.
